JOINT MOTION FOR MODIFICATION OF SCHEDULING ORDER

Defendant, E3 Holdings, LLC d/b/a EnerLux Windows & Doors, Defendant, The Carter-Jones Lumber Company, and Plaintiffs, Clara Daniels and Robert Daniels, by and through their respective undersigned counsel, respectfully jointly move this Honorable Court to modify the June 20, 2017 Scheduling Order, and as modified on September 7, 2017, and in support thereof state as follows:

1. This action arises out of personal injuries allegedly sustained by Plaintiffs Clara Daniels and Robert Daniels.

2. Since initiation of this lawsuit, the parties have acted with diligence and good faith in conducting discovery, including the exchange of written discovery, the completion of the depositions of both Plaintiffs, the corporate designees for both remaining defendants, and additional fact witnesses.

3. Because of the complex nature of this case and the medical issues in question, the parties need additional time to complete discovery and to complete the depositions of additional medical witnesses. Specifically, the Plaintiff named Dr. Thomas Amalfitano as a rebuttal expert

medical witness, Dr. Amalfitano needs additional time to issue his report and the parties require time to depose Dr. Amalfitano if necessary.

4. The Parties therefore jointly request that the June 20, 2017 Scheduling Order, as modified on September 7, 2017, be further modified as follows:

EVENT	CURRENT DEADLINE	MODIFIED DEADLINE
Discovery Deadline <i>and Status report</i>	November 29, 2017	January 15, 2018
Dispositive Motions	November 20, 2017	January 30, 2018
Requests for Admissions	December 6, 2017	January 30, 2018

ELH

5. In addition to the submission of this request, and as a result of the additional information required to complete discovery, the parties are contemporaneously with this motion filing a request with Magistrate Judge Stephanie Gallagher to request a modification and postponement of the present December 12, 2017, settlement conference. In light of the ongoing investigation and complex nature of Plaintiff's damages, the parties require additional time to investigate this case to be able to engage in productive and good faith settlement negotiations.

6. Good cause exists for this request and neither this Honorable Court nor any of the parties to this case will be prejudiced by the present request.

WHEREFORE, Defendant E3 Holdings, LLC d/b/a EnerLux Windows & Doors, Defendant The Carter-Jones Lumber Company and Plaintiffs Clara Daniels and Robert Daniels respectfully request that this Court grant their Joint Motion for Modification of the Scheduling Order.

Respectfully submitted,
